We are the sum of many parts working in perfect synchronicity.

Each tick of the delicately-crafted secondhand is propelled by 55 individual jewel movements, more than 86,000 times every day, never missing a beat. Such precision and attention to detail is rarely replicated. And it serves as a reminder of the outstanding performance generated by the components of M Financial Group.

As we work together to serve the diverse needs of ultra-affluent clients and successful companies, no detail is missed. Our passion for distinction creates customized, superior performing solutions. Our ability to provide clarity in an increasingly complex economic landscape facilitates informed decisions. And our demonstrated commitment to treat our last customer as well as our next delivers long-term value to those who have placed their trust in M.

It is a unique approach – designed to stand the test of time – made possible by the Sum of .
